

COMP4336/9336 Lab2

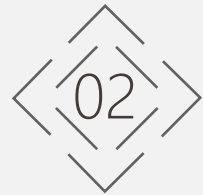

The background features a large, light-gray diamond shape centered on the page. Two thin, dark gray wavy lines, resembling sine waves, cross the diamond horizontally. Scattered around the diamond and wavy lines are several small, light-gray squares of varying sizes and orientations.

The image features a minimalist, abstract design on a light gray background. At the center is a large, light gray diamond shape. Overlaid on this diamond is a thin, dark gray outline of a diamond, which is slightly offset. A horizontal line passes through the middle of the diamonds. Two wavy, horizontal lines, resembling sine waves, cross the central diamond area. Scattered around the central composition are several small, dark gray squares of varying sizes and orientations. The word "THANKS" is written in a clean, sans-serif font across the middle of the central diamond.

THANKS
